

Clear Lake Community Survey Results

**The consensus is clear. The community supports a 'one
boat, one lake' solution for Clear Lake.**

According to Parks Canada's own
2025 public survey,

**71% of the nearly
3000 respondents**

support a 'one boat, one lake'
solution for Clear Lake.

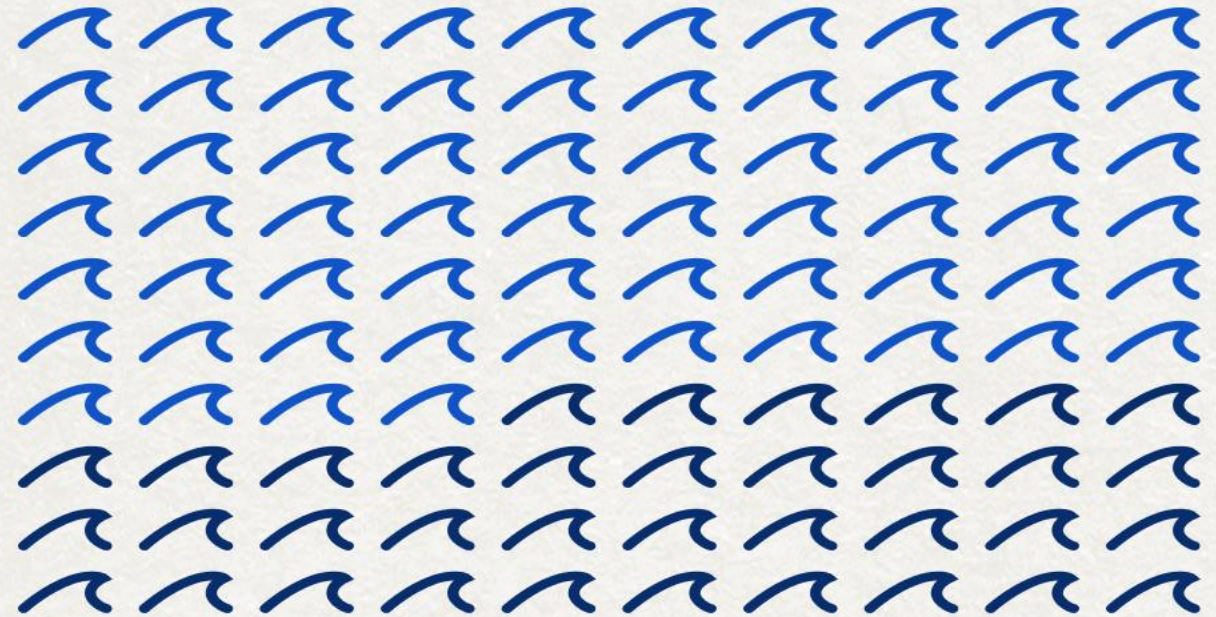

81%

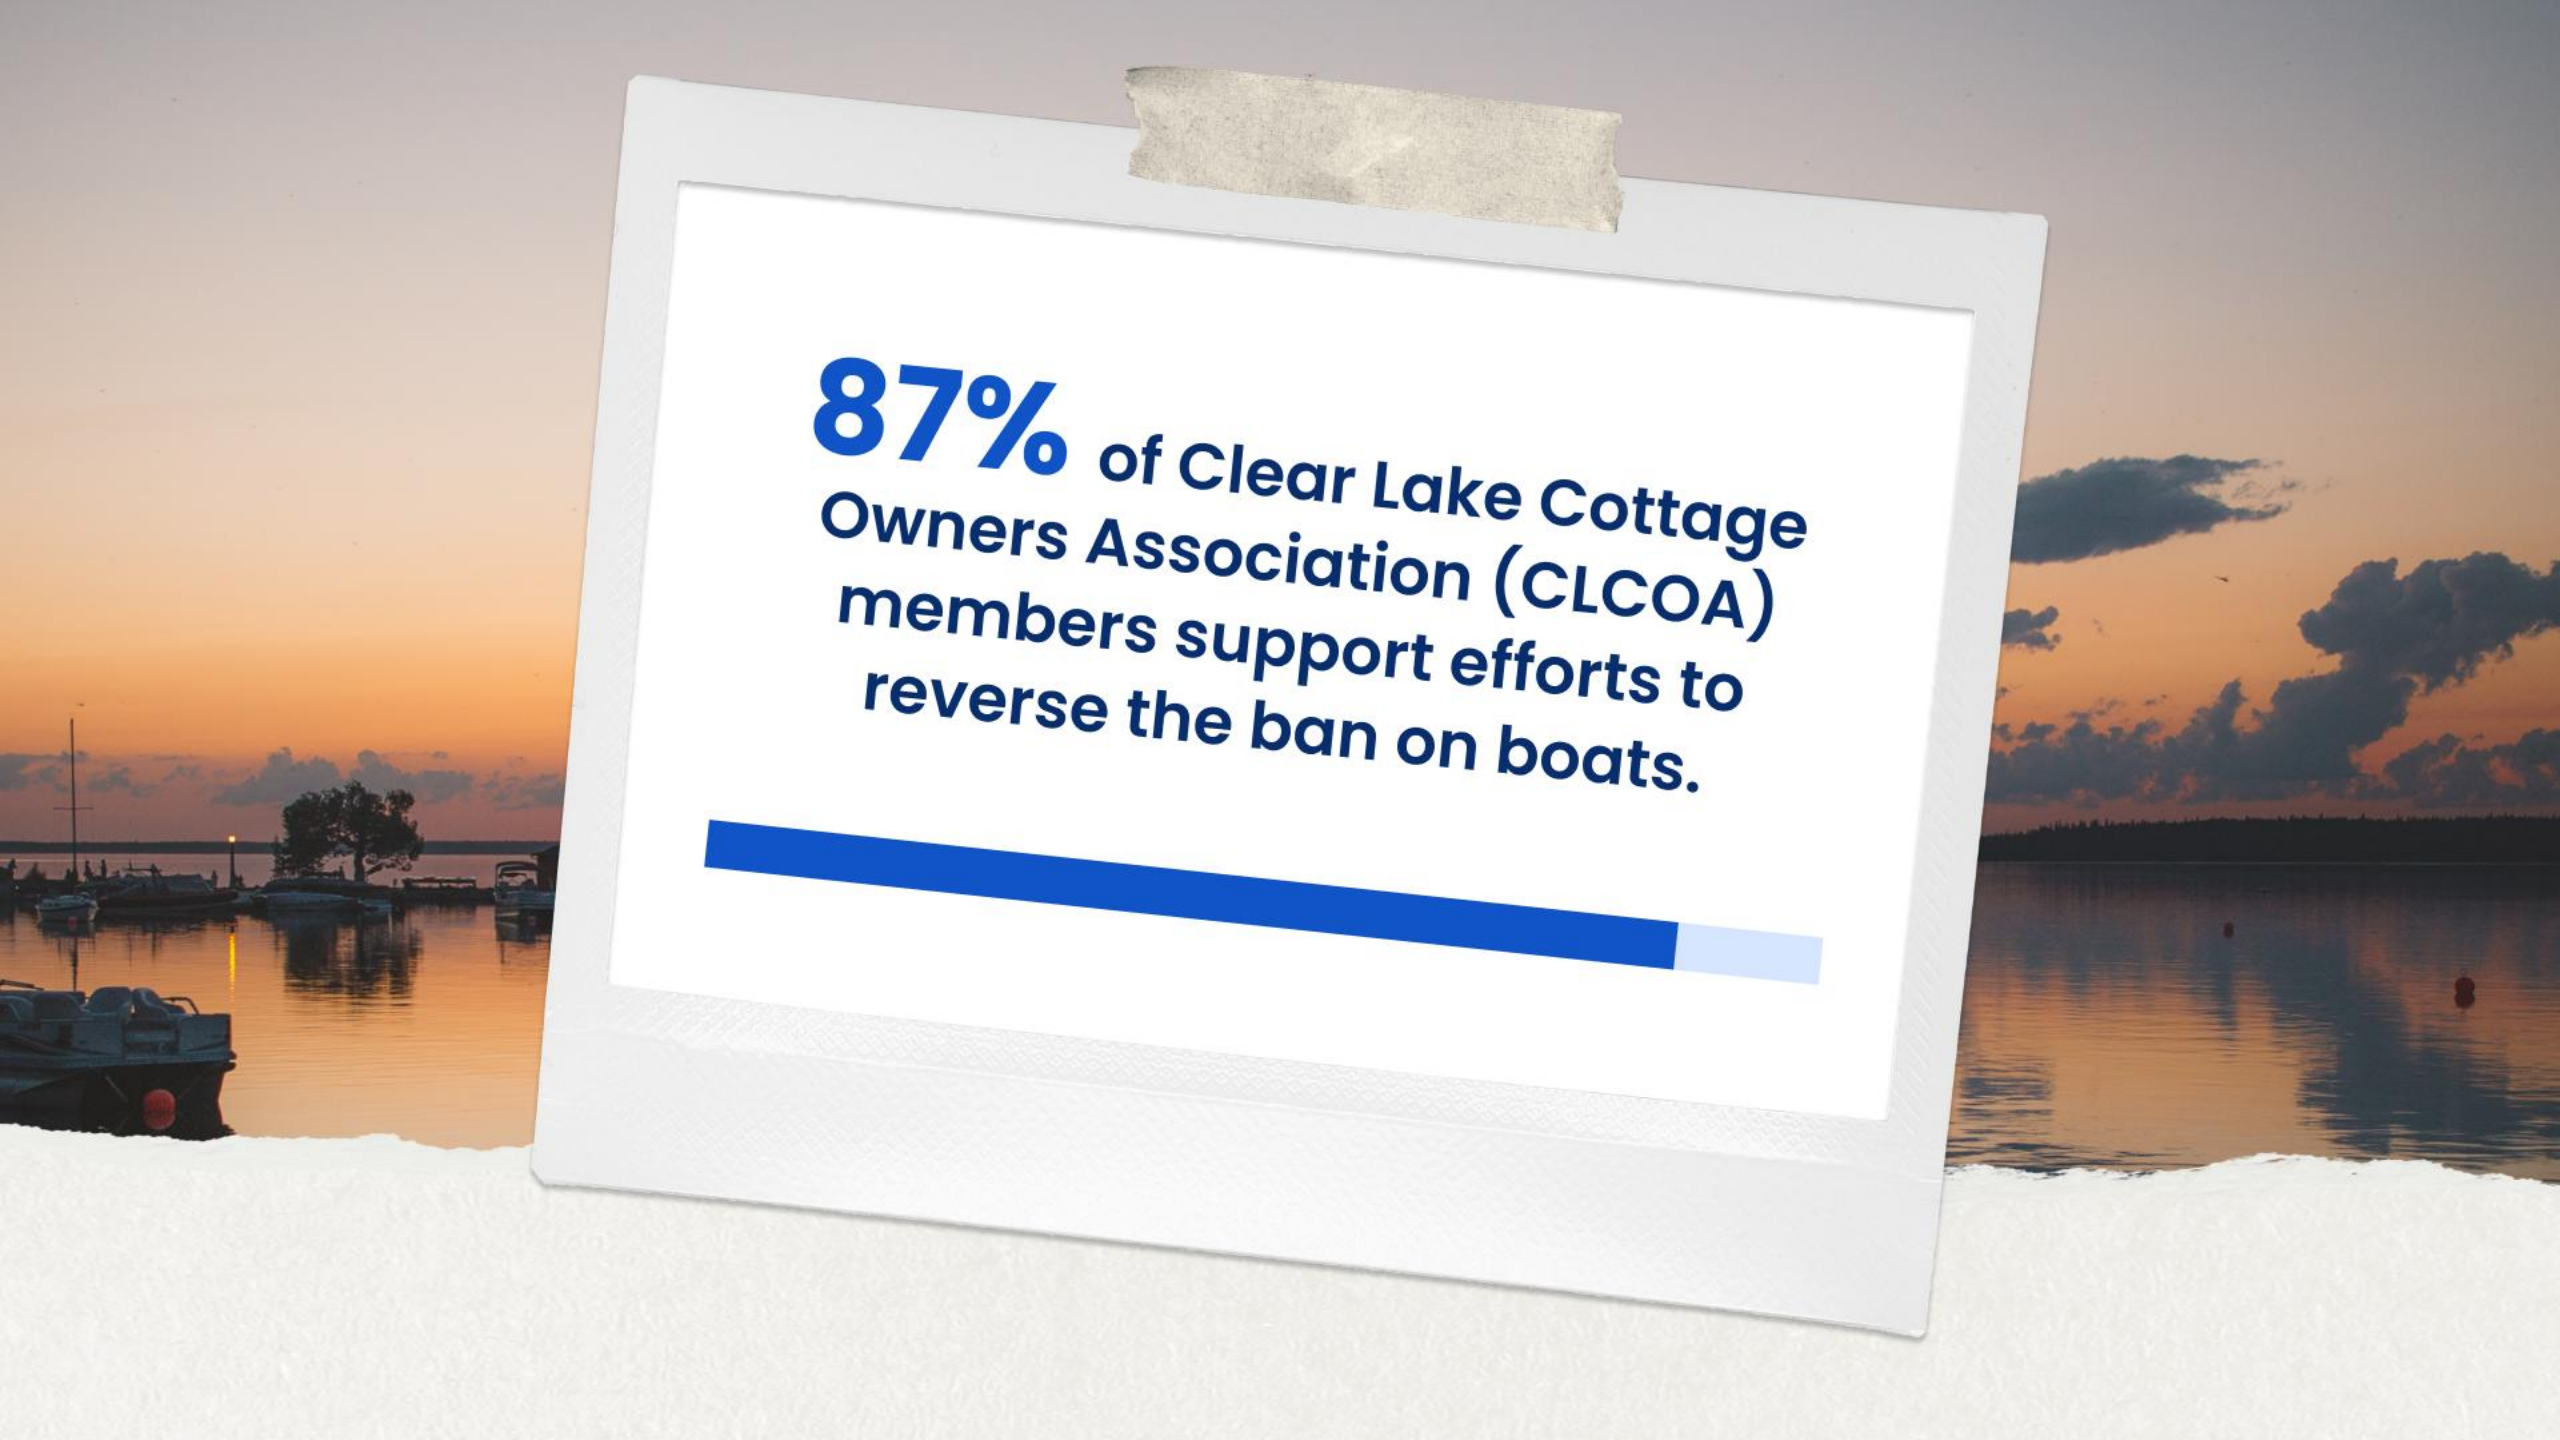

of Wasagaming Chamber of Commerce (WCC) members support a return to the 'one boat, one lake' solution.

64%

**of Clear Lake Cabin Association
(CLCA) members support a return
to the 'one boat, one lake' solution.**

A Polaroid-style photograph of a lake at sunset. In the foreground, a white card with a grey border is tilted. A piece of torn brown paper is at the top of the card. The card contains text and a bar chart. The background shows a calm lake with several boats, a small tree on a pier, and a sunset sky with orange and blue clouds. The water reflects the sky and the boats.

87% of Clear Lake Cottage
Owners Association (CLCOA)
members support efforts to
reverse the ban on boats.
